DAY 2

Time	Order of Agenda	Partner
09.30h	WP 2 Quality Assurance	UOWM
10.30h	WP8 – Exploitation	FASE

The 5th partnership meeting of the Tstory project took place in Zaragoza, Spain, in the 15th and 17th of October.

The meeting coincided with the Final Project Conference that took place at the Faculty of Education - University of Zaragoza during the 16th of October. This event allowed to wide disseminate the project's results at European level.

Partners are now working in the final improvements to our digital course and handbook.
